

Regular Package | Target group: Grade 7

Module Outline (as per the new development) Orientation (1.5 hrs)

*Each module runs for 2 hrs, this includes 1hr of video conference activity itself, and another hour of on-site debriefing of students.

Module I Building Familiarity (2hrs)

Gives students a better understanding about the 2 classrooms, their context and environment, their food, culture, traditions, as well as issues in their communities.

Module II Stereotypes, Prejudice & Discrimination (2hrs)

Raises students' awareness about the role of perceptions and other factors in forming stereotypes, which leads to prejudice and discrimination.

Module III Introduction to Conflict & Violence (2hrs)

Gives students' a better understanding about conflicts, the difference between conflict and violence, as well as different approaches in dealing with conflicts.

Module IV Communication to Build Peace (2hrs)

Explores the theory and practice of Nonviolent Communication or NVC, where students learn the 4 techniques of NVC and put it into practice during the video-conference.

Module V Bangsamoro & Mindanao (2hrs)

Educates students with the basic understanding of the Bangsamoro issue, and the importance peace in Mindanao.

Module VI Culture of Peace & Commitment to Peace (2hrs)

Builds students' understanding about holistic peace, summarizes the 5 previous modules, and gives the students a space and opportunity to reflect on what they can do for peace in their own ways.

Evaluation (1.5hrs)

Global Classroom develops students' holistic competencies (knowledge, skills & attitudes) in building and living peace.

Learning objectives:

- Increase students' tolerance in attitude and behavior
- Learn about diversity through the positive experience of connecting with Mindanao classes and students
- Develop basic understanding about violence and conflict and the difference between them.
- Understand the main challenges posed by the Information Age
- Develop students' competencies in effective communication, specifically nonviolent communication (NVC)
- Raise awareness among students about: the Bangsamoro; the Enabling Law; and the value of peace in Mindanao and the rest of the Philippines
